

## ACKNOWLEDGEMENTS

This project represents a partnership between the National Oceanic and Atmospheric Administration (NOAA) and the Massachusetts Executive Office of Environmental Affairs (EOEA), Office of Coastal Zone Management (CZM). Both NOAA and CZM provided financial and technical support through a Coastal Management Fellowship Grant, which was solicited by the NOAA Coastal Services Center (CSC) and administered by the University of Southern Mississippi (USM), Department of Marine Science. Shari Currey was the Coastal Management Fellow assigned to this project. Thanks to Jan Kucklick (CSC), Dr. Don Redalje (USM) and Charlotte Holmes (USM) for their hard work and dedication to the NOAA Coastal Management Fellowship Program. Special thanks are extended to CZM's Truman Henson, Jr., for enthusiastically serving as the project mentor.
